

**Joint Announcement of ADMIE and HEDNO concerning the
PROCEDURE FOR ISSUANCE OF CONNECTION OFFERS FOR
GENERATION PLANTS OF RES & HIGH PERFORMANCE CHP
in application of L. 4152/2013**

According to the regulations foreseen in L. 4152/2013, the System and Network Operators inform the interested parties for the following:

1. Requests for issuance of Connection Offers, as well as requests for modifications of Connection Offers concerning generation plants of RES & High Performance CHP with obligatory generation permit, are submitted:
 - To Network Operator (HEDNO S.A.)¹ for plants with capacity **less than or equal to 8 MW**.
 - To System Operator (ADMIE S.A.) for plants with capacity **more than or equal to 8 MW** (or for requests submitted jointly for plants with total capacity that surpasses the limit of 8MW and may be connected through joint connection projects according to regulations foreseen in L. 4152/2013, Paragraph I, Subparagraph I.1 , Indent 3).
2. After cooperation between the Operators, when necessary, irrespective of the plant capacity and the body to which the initial request was submitted, the equivalent Connection Offers will be issued as follows:
 - When the Connection Offer refers to connection with the **Network**, it will be issued by the Network Operator (HEDNO S.A.)
 - When the Connection Offer refers to the connection with the **System**, it will be issued by the Systems Operator (ADMIE S.A.)

The body that provides the Connection Offer is the competent Operator for the equivalent plant and will manage the equivalent Connection Offer according to the regulations defined by L. 4152/2013, Paragraph I'.

3. Plants for which the Connection Offer was issued before the application of L. 4152/2013 (09.05.2013) and includes their connection with the **Network**, then, the competent Operator for the equivalent plant is the Network Operator (HEDNO S.A.) which manages the relevant Connection Offer according to the regulations of L. 4152/2013, Paragraph I'.
Respectively, plants for which the Connection Offer was issued before the application of L.4152/2013 and includes their connection to the **System**, then, the competent Operator for the equivalent plant is the System Operator (ADMIE S.A.) which manages the relevant Connection Offer according to the regulations of L. 4152/2013, Paragraph I'.
