HEDNO reinforces its presence in Eurelectric

HEDNO's presence in Eurelectric is reinforced by the election of Mrs. Sofia Politopoulou, the Corporation's Regulatory Branch Director, as President of the Working Group Distribution Regulation & Policy of the European Electricity Corporations Union.

European Distribution Operators, including major Electricity Distribution Corporations in EU, participate in Eurelectric.

The Eurelectric Working Group Distribution Regulation & Policy studies, proposes and communicates policies and practices with institutional bodies for the implementation of the appropriate regulatory framework based on a sustainable solution for all participants in the electricity chain.

Mrs. S. Politopoulou is an Electrical Engineer of NTUA (1989), holder of MBA and she has been working in PPC Group since 2008 holding the position of Director.
