

HEDNO S.A.

New timetable for customers' service provision

HEDNO S.A. reminds you that the timetable for provision of services is expanded by 30 minutes in order to facilitate its customers.

Specifically, from Monday 2nd of April 2012, all HEDNO S.A. service points (connections – technical services) will provide services to customers from 7:30 until 14:00 (Monday-Friday) in the whole Greek territory.

More information on customers' provision of services electronically or by phone is provided in the HEDNO S.A. website.
