

COMMUNICATION

As part of the upgrading of the quality of the services provided and the assurance of reliable electricity supply with the use of up-to-date support and optimal human resources management, the Hellenic Electricity Distribution Network Operator (HEDNO) is announcing that after merging the Areas of Central and Western Thessaloniki of the Macedonia-Thrace Region Department, the services of both Units in the city of Thessaloniki are now operating at the seat of the Area of Western Thessaloniki, on Aisopou 20, at the Dimokratias Square (Vardaris).

For customer support, please visit HEDNO's website (24/7) www.deddie.gr and/or call us at 11500 or 211900500.
