Start of Winter Schedule for the Dual-Zone Reduced Electricity Rates System

HEDNO announces that, as of **1 November 2025**, the **winter schedule** for the **Dual-Zone Reduced Electricity Rates System** will come into effect and remain valid until **31 March 2026**.

Specifically, the time zones are adjusted as follows:

1. Daytime zone: 12:00 p.m. – 3:00 p.m.
2. Nighttime zone: 2:00 a.m. – 5:00 a.m.

It is reminded that, since 1 February 2025, when the two-zone reduced tariff system was first implemented, its purpose has been to offer consumers access to lower electricity prices during off-peak hours.
