HEDNO Announcement on a fatal workplace accident in Athens

HEDNO expresses its profound sorrow over the fatal workplace accident that occurred today, Monday, 18 May 2026, in the Kato Patisia area of Athens, resulting in the loss of a Company employee.

The incident occurred during scheduled maintenance works at a Substation. An investigation into the exact circumstances and causes of the accident is already underway.

HEDNO's Management and employees extend their sincere condolences and deepest sympathy to the family of the deceased.
